Dear Parent(s) / Guardians:

In response to a pandemic of Coronavirus, Owen County Schools will make use of an Emergency Waiver for Non-Traditional Instruction (NTI) days.

School districts making use of Kentucky's NTI program must ensure that students with disabilities have equal access to the same opportunities provided to students without disabilities. As part of its plan for Non-Traditional Instruction to its students on Non-Traditional Instruction days, Owen County Schools assures that, to the greatest extent possible, each student will be provided the special education and related services identified in the student's IEP. The Admissions and Release Committee (ARC) will need to meet and outline what those services will be by teleconference.

Your child's case manager will be contacting you during the NTI days in order to provide specially designed instruction through alternative means and to monitor student progress on assignments provided. In addition, your child's case manager will be calling to schedule an ARC meeting via teleconference.

Information regarding assignments will be posted on the school website at www.owen.kyschools.us
