

THIS FREE VIRTUAL CAMP

is designed for children and adolescents who have experienced the death of a loved one in the past 2 years.

It will provide children and teens the opportunity to connect with others around the state who have had a similar experience and cover topics such as normal reactions to loss, sharing experiences, and learning how to cope with difficult feelings. The camp will take place via Zoom and will be divided into age specific groups. Boxes of supplies will be delivered to participant's homes prior to the start date.
